Discussion Points: — The Work Plan will be due in January — It lays the foundation of what we do in the five counties. It also shows what we are spending — This is a clear road map of the workings of the North Sound FYSPRT — November's meeting will be a working meeting to focus on the Work Plan — A goal is to establish and strengthen communication in our five counties and support/promote community programs in the regions — It was suggested that a youth health symposium be hosted in the future. We could begin discussions on how best to plan, coordinate and bring this type of event together — In November we will begin implementing our goals and steps in the Work Plan	

- As pieces begin to roll out, how do we want to meet with various partners? Virtually or in person?
